The Honorable George Miller
Congressman, 7th District
367 Civic Drive, #14
Pleasant Hill, CA 94523

ATTN: Martha Castaneda

Dear Congressman Miller:

I am requesting to be placed on your schedule when you are conducting business in one of your district offices.

As Executive Director of the CALFED Bay-Delta Program, I have been working to build consensus among the affected stakeholders to reach a solution to problems that plague the Delta. I have had extensive interaction in this effort with state and federal elected officials in addition to the respective Executive Branches. As your district covers many communities in the immediate vicinity of the Delta, I would like to brief you on the Program's progress to date as well as gain your input as we move closer toward a preferred alternative. I have enclosed some background material on the CALFED Bay-Delta Program for your information.

Please contact Robin Jenkins in my office at (916) 657-2666 to schedule an appointment. I look forward to hearing from your office soon.

Sincerely,

Lester A. Snow
Executive Director
